| The fuel surcharge may be higher than published. As conditions necessitate, Carrier reserves the right to assess an emergency fuel surcharge. In the event this surcharge is implemented, consignees and consignor will be advised by written notification, website, or as a separate item on the delivery receipt or invoice.                                                                                                                                         |                                 |                                 |                                 |                                 |                                 |                                 |                                 |
| The surcharge will apply to the transportation charges derived from the application of rates and minimum charges in the tariff and be subject to a weekly adjustment, effective each Monday, the same day the DOE updates the fuel prices. Fuel surcharge will be subject to a Minimum Surcharge of \$1.00 per shipment. The DOE fuel price information is available at: <a href="https://www.eia.gov/petroleum/gasdiesel">https://www.eia.gov/petroleum/gasdiesel</a> |                                 |                                 |                                 |                                 |                                 |                                 |                                 |
